

Survey of Public Views on the Government's Mainland Policy and Cross-Strait Negotiations

Percentage Distribution for Each Question

Survey Date: December 15 to 16, 2010

Number of Effective Samples: 1,085

Sampling Error: ± 2.98 percent

Survey Commissioned by: Mainland Affairs Council, Executive Yuan

Survey Unit: TVBS Poll Center

1. In the course of cross-strait negotiations on the Cross-Strait Agreement on Medical and Health Cooperation, the government has insisted that Mainland medical professionals not be allowed to practice in Taiwan and that Mainland capital not be allowed to be invested in establishing hospitals in Taiwan. Do you support or not support this approach?

Strongly support	Somewhat support	Do not support very much	Strongly do not support	Don't know / No opinion
46.4%	28.8%	9.5%	4.0%	11.2%
75.2%		13.5%		11.2%

2. In the course of cross-strait negotiations on the Cross-Strait Agreement on Medical and Health Cooperation, the government has also insisted that Mainland hospitals not be allowed to become contracted hospitals under Taiwan's national health insurance program. Do you support or not support this approach?

Strongly support	Somewhat support	Do not support very much	Strongly do not support	Don't know / No opinion
46.4%	25.3%	11.9%	5.5%	10.9%
71.7%		17.4%		10.9%

3. Do you support or not support the handling of issues related to cross-strait exchanges through institutionalized negotiations between the two sides?

Strongly support	Somewhat support	Do not support very much	Strongly do not support	Don't know / No opinion
35.4%	36.6%	6.4%	7.7%	14.0%
72.0%		14.1%		14.0%

4. Do you believe that institutionalized cross-strait negotiations are conducive or unconducive to the peace and stability of cross-strait relations?

Extremely conducive	Conducive	Unconducive	Totally unconducive	Don't know / No opinion
25.5%	47.5%	10.3%	8.4%	8.3%
73.0%		18.7%		8.3%
